Fit as Fuck

Feeling a little unfit, I decided to join a gym and get in shape for summer.

One bloke in particular, Gary, helped me out a lot, advising me on the best ways to work out for the results I wanted. I fancied the arse off him; he had a great body – toned though not overdeveloped with lovely broad shoulders. As I used the exercise bike or stair machine I'd watch him pumping iron, then go home and frig myself silly over the thought of wrapping my thighs around him as he fucked my brains out.

He was all the incentive I needed to stick at exercising, and I went all out to impress him. One day he found me struggling to work out on one of the weights machines. "Too heavy," he said, pointing at the weights I was trying to lift. "Anyway, I thought you were concentrating on fitness not muscle building."

I made some comment about my bum wobbling when I walked, which didn't cut much ice with him. "Nothing wrong with your bum," he said, giving it a friendly pat.

A bit of a jolt ran through my body at that, and Gary misread it as me being offended. He was really apologetic and said he didn't know what had come over him to make him do that. He was really flustered, and I suddenly twigged that he must fancy me as much as I fancied him. "I'm going to have a shower," I said, as coolly as I could. "Meet me in the foyer in about half an hour."

When I got there he was already waiting for me. I led him silently out to the dark, quiet side street where my car was parked. "Okay," I said, and bent down over the bonnet. After a couple of seconds I looked back over my shoulder and grinned and winked at Gary who obviously wasn't sure how to respond. "You were about to tell me how much you like my arse," I said.

His hands were shaking as he cupped my bum cheeks and stroked them through the baggy cotton jogging bottoms I had on. Then, as he calmed down a little, he started kneading them in a circular motion. I moaned softly as he hooked his finger in the waistband, and pulled them slowly down to reveal the clean white cotton G-string I'd put on underneath them. He caressed my naked skin for a few moments, then pulled my G-string gusset to one side to expose my arsehole. As he did this, the lower part of it slipped into my pussy crease and pressed against my clit.

"He rubbed my soaking gusset against my clit"

"I'd rather show you how much I like your arse, if you know what I mean," said Gary.

"Okay," I said, and wiggled it a little so that my gusset, now soaked with my pussy juices, rubbed against my clit. I'd always had a bit of a thing about anal sex – the idea of it really appealed to me, and I liked the sensations I felt when I fingered my bum while frigging off, but when I'd tried that kind of thing with other blokes I'd always been disappointed. Luckily, though, nothing had quite managed to put me off the idea completely.

Gary took his time, running what felt like a teasing index

IRISH CREAMED

Scouse trouser-tenter Tanya Tate has a huge Irish following, so the massive-mammed MILF makes her way by bike to a soaking-wet Ireland hit by the biggest floods for years. And that's just the amount of Irish cream pumped into our game girl by real fans who answered an ad to meet up with and fuck her. Our Tan decants some cocks in Cork, has a dirty Limerick stay and gets a long lay in Tipperary. This DVD made the Irish papers when Wexford hurling star Greg Jacob hurled his cock into mucky Tanya, and had to leave his county panel. Watching Tanya, who's friendly, genuinely into her fans and has got a fantastic rack to boot, we say well-played!

finger up and down my bum crack, then tracing the tip of it around the sensitive pucker of my anal opening. Then he paused, and, after rummaging around in his kitbag, smeared a blob of something sticky yet slippery around it.

I gasped a little as he slipped his finger inside, just up to the first knuckle, then sank it the rest of the way in. "You okay?" he whispered, and when I moaned a "Yes", he started playing his other forefinger around my arsehole. He eased that in just as slowly and gently, then worked both fingers around inside me, stretching me slightly in all directions before withdrawing them. Another pause and I could hear a rustle of fabric and a faint slap of skin on skin. One hand was on my bum again, pulling the cheeks apart, then I felt Gary's cock, guided by the other, sliding up and down my furrow then pressing against my hole.

"Deep breaths in and out," he murmured, and as I inhaled, the head slid into my opening. He waited a couple of seconds, letting me breathe out, then as I inhaled again, he inched the rest of his shaft into my bum.

"I slid fingers either side of my aching bud"

Braced up against the car, I thrust my arse hard up and back against his crotch as he pumped in and out of me. He thrust in confidently, then pulled out slowly so I could feel my passage shrink back to its usual size, and the ridges beneath his helmet catching my opening just before he started to push back in again.

Whimpering with pleasure, I hiked the hem of the sports top I was wearing right up to my armpits, freeing my tits.

"C'mere," murmured Gary, and closed a big hand over each of them, cupping them and rolling the nipples in between his fingers to the rhythm of our fucking. My pussy felt strangely empty, and my clit was throbbing for attention. Reaching down, I slid a finger either side of the aching bud, just like Gary was doing to my nipples, and squeezed and rubbed it. My stomach muscles tensed as Gary pulled out, and as he thrust back in my orgasm rippled out through my body, followed by a warm, wet rush as Gary shot his load deep inside my arsehole.

We stayed where we were for a short while, Gary's still-hard cock still inside me. Then he pulled out, the veined shaft of his prick making me cum again!

We've been seeing each other ever since!

CRYSTAL & TED

LUCKY FUCKER!

I recently met an amazing woman, who can only be described as gorgeous, mysterious and really sexually demanding. Not that I'm complaining, of course, as she's definitely a couple of steps up from the birds I've been used to! I'm not sure that I could exactly call her my girlfriend, though, as we don't do anything together but fuck.

I met her at a nightclub one Saturday night. She was dancing with a fit-looking bloke and their sexy moves caught my attention. At first, I thought they might be a couple, but when the music stopped she walked over to me and beckoned me after her on to the dance floor. Obviously the shy and retiring sort!

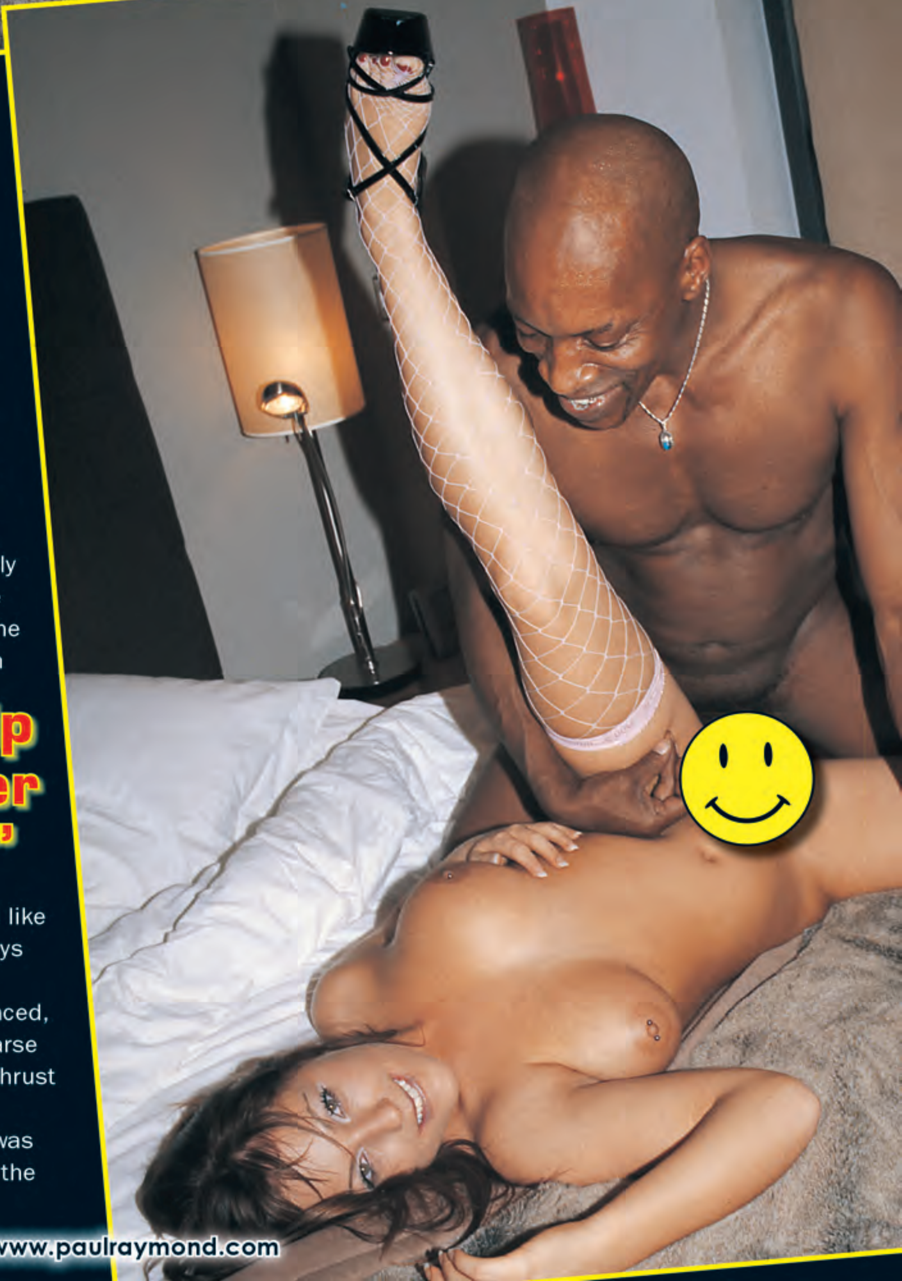
I found this really sexy, and she was most definitely my type physically, so I quickly followed her. We were dancing slowly, our bodies pressed together, when she reached between us, and, squeezing my dick through my trouser-front, whispered in my ear that she would like to fuck me that night! Christ, if only pulling was always this easy!

"She told me to unzip my flies and show her what I had to offer"

Pressing her crotch against my erection as we danced, she moved her hands behind me and squeezed my arse cheeks, her long nails digging in to my bum as she thrust and gyrated her pelvis against me.

She was so sexy and confident, I have to admit I was getting really horny. If it weren't for all the people in the club, I would happily have whipped my cock out right there and slipped her a length. Suddenly, she was done dancing and dragged me off the dance floor, towards the bar, where she asked me to get her a vodka and coke. We had a drink, chatted for a bit – well, she talked and I just listened. To say Crystal was a bit bossy would be an understatement, but I was totally shit-faced and just hoping this was going to go a bit further.

Not long after that we left the club and she told me we were going back to her place – she didn't invite me, she TOLD me. Fucking hell, she was so confident, so sure of herself. Now, I'm not really into domination, and I've never been shy about approaching women and making the first move. But all of a sudden I was being told what to



do, this woman practically demanding I go home and fuck her. And I was more than a little turned on by it.

Crystal's flat was an unfussy modern structure with lots of large glass windows in an upmarket residential area. Once indoors, she poured some drinks and we sat in the living room. Sitting opposite me, she inserted a fresh cigarette between her lips. My cock stiffened, growing harder as she suggestively ran her long fingernails from the filter to the tip of her cigarette. Taking a heavy silver lighter from the table, she lit up and inhaled slowly, her luscious big lips sucking on the tip of the elegant holder.

Drawing deeply, she leaned towards me and blew smoke in my face. Then, standing up, she told me to unzip my flies and show her what I had 'to offer'. Blushing, but incredibly excited, I did as she asked. She looked down at my erect, black prick, reached forwards and drew her long nails up the shaft, scratching the skin lightly. I gulped at the sensation as my cock throbbed under her touch.

"Not half bad," she said in a cool voice. "Now let's see if the rest of you is up to scratch."

Imitating her cool manner, although actually feeling slightly intimidated, I stripped off and waited for her to do the same. She obviously

liked what she saw, because she dropped her cigarette into an ashtray and shimmied out of her tight skirt.

Crystal was wearing white fishnet stockings, held in place by thin silk straps of a lace suspender belt. Sliding her panties down over her legs, she pulled them free from her spike-heeled ankle boots.

She pulled her little top over her head slowly and, cupping her large breasts, she held them out for my inspection. It was all I could do not to drool, but as I reached out for them she laughed, turned away and led the way to the bedroom.

"She teased my shaft before snaking her tongue round my tip"

She then simply climbed up onto her bed and patted the space next to her. I didn't need telling twice, and pretty much leaped onto the bed beside her, like an eager puppy. She pushed me down, kissing me roughly on my mouth and working her way down my neck, chest and stomach until she reached my pubes, then stopped. The anticipation was killing me, and I grabbed the back of her head, trying to guide it towards my waiting dick.

She shook my hands off, then teased me by breathing heavily on my shaft and balls, before snaking her tongue around my tip, licking the pre-cum up. Then, with no warning at all, she gobbled my entire length down her throat in one, making me gasp with surprise and pleasure. She held it there so I could feel the back of her throat, before turning her lips into an 'O' and mouth-fucking me rhythmically, while massaging my balls with one hand. After only a couple of minutes of this, I started to feel my balls tightening and knew it wouldn't be long before I shot my load. Crystal obviously realised the same thing, because she stopped sucking me off, lay back on the bed sideways to me, and lifted one thigh. "You ready for me, handsome?" She purred, slipping her fingers in and out of her juicy pussy.

You couldn't have kept me off her with a shotgun and, pushing roughly between her parted thighs, I was on top of her. Without any foreplay or thought, I rammed my big, aching cock inside her cunt and started slamming into her hard.

Her nails raked my back and she held on to me with her teeth, biting my chest as I shagged her as hard as I could, pumping away.

"Come on," she growled. "I said I wanted to be fucked, not just prodded." The jibe only made me more horny, and I went at her like a savage, thrusting into her as hard and fast as I could, my hands gripping her breasts roughly

as she thrust her hips upwards to meet my strokes and started growling and moaning with pleasure.

I fucked her and fucked her, surprising myself at how hard I was going, and how long I was lasting, pumping her until my back was aching. Her hands suddenly found my bum cheeks, her nails digging into my arse as she tried to pull me even harder. And then she screamed out loud, her legs gripping my waist tightly as she came, her pussy muscles clamping hard around my dick, as she again bit down gently on my shoulder. Her orgasm seemed to last for ages, and I was beginning to wonder if she'd ever stop.

It was enough to push me over edge, and after two more hard thrusts I came, jet after jet of hot, thick cum flooding her pussy, as I continued fucking her, pumping until every last drop of spunk was inside her. We lay there breathing for a few seconds before she slid out from under me, got up to go to the bathroom, simply saying, "You can go now. Leave your telephone number in case I need you again."

So, every once in a while, Crystal will call and summon me, and I'll pop round for the hottest sex I've ever had. Like I say, I can't really call her a girlfriend, but with sex like that, who's complaining?

Girlie Show

Since discovering, at the age of 18, that I was bisexual, I've dated almost as many women as blokes. Most of them were also bi, but Julie was a confirmed lesbian.

She was the unlikeliest lesbian – small, blonde and ultra-feminine. She'd swan around in little dresses – often satin nighties – which complimented her sixties look – dark eyes, pale lips and bobbed hair. Blokes fancied her like mad and took her lack of interest to be her playing hard to get.

She also encouraged me to dress up – stockings, sexy lingerie, bolder make-up, the lot – whether we were going out or spending the night in together. It just added a little extra something to sex between us – the feel of silk when you're kissing and touching each other up. The sight of long painted nails on the fingers playing with your nipples. I found it really horny, and so did Martin, a bloke we met one night in a bar.

We saw him sitting alone so we plonked ourselves down at his table. His eyes came out on stalks, and when Julie crossed her legs he had to cross his own. Still, I couldn't help thinking he was cute and that if I had been there on my own rather than with Julie, I'd have made a play for him.

Julie started getting touchy-feely with me, something she often did in front of blokes. She said it was just to wind them up, but I knew she also got off on their reaction. Then she did something I'd never known her do before. She asked Martin if he'd like to come back to her place and watch us having sex.

"She asked him if he wanted to come back and watch us screw"

The idea turned me on, and a couple of hours later, back at her flat, Julie sat him down on her double bed. She explained that the terms were strictly "look but don't touch" and asked him to hold onto the bars of the headboard. She was going to get her kicks by being watched, not by having a man fuck her. It reminded me of a documentary I'd seen on lap dancing, with the guy being told to hold on to his chair so his hands didn't wander while the girl waggled her naked pussy inches from his face. Then Julie and I knelt on the bed facing each other and started to undress each other.

Dressed in no more than black hold-up stockings, Julie looked luscious. Her shaven pussy lips, as was usual when she was aroused, had gone a slightly darker pink and I could see the very tip of her clitoris poking out from between them.

As we kissed, I slid my hand in between her thighs and started massaging her swelling bud, rubbing my

fingers hard against it. She moaned and tilted her hips a little, in the hope that I'd sink them into her hole, but I kept her in suspense – I wanted to leave her twat untouched until I was ready to tongue it.

It wasn't long before I was doing just that. While I'd been playing with her pussy, Julie had been sucking and rolling my nipples between her fingers. Then, cupping my boobs in her hands, she started pushing me gently, until I was lying back on the bed.

She spun around and squatted above my face, then moved her hips again, grinding her twat slowly against my lips. Now and again, I'd reach up and hold her still, then lick teasingly along her labia.

This drove her mad, and she'd ram the three fingers she was using on my hole right inside it, pumping them hard and fast, in and out, in an attempt to get me to lick her deeply.

I started flicking my tongue out so it penetrated her pussy for a second, before pulling it back out again. This made her wiggle her cute arse around in the horniest way. Soon, though, I was wanting to give her a proper licking just as much as she wanted me to do it and, with her cunt planted firmly above my face, I started to eat her out with a vengeance.

"Her cunt planted in my face, I ate her out with a vengeance"

Every so often, I'd feel the mattress shifting – Martin trying to get comfortable. It couldn't have been easy for him, watching us without being able to touch himself, let alone join in. I wondered how long he could hold on, but knew he wouldn't have to for very much longer as I felt Julie's inner muscles starting to spasm around my tongue. As she came, I put my mouth on her pussy and sucked a little trickle of juices out.

Once she'd got her breath back she excused herself, and went into the bathroom. I guessed she'd redo her make-up, which usually took her a good couple of minutes.

"Okay," I whispered, grabbing Martin's hand and pulling it off the bars and in between my thighs.

Knowing he'd have to finish me off before Julie got back, he plunged two fingers into my pussy, hooking them slightly so that as he pumped them in and out they caught my G-spot. Meanwhile, his palm was pressed against my clit, stimulating it as he fingered me.

This brought me off in seconds. I sank down onto Martin's lap, and as I pressed my pussy against his crotch, he groaned with frustration. I didn't feel right just leaving him like that and, as I fancied him anyway, it wasn't hard to talk myself into unzipping his trousers and taking an impressive hard-on into my mouth.

There wasn't time for subtlety – I had to rely on good hard sucking rather than clever tonguing techniques to get him off. Luckily, he was already most of the way there, and it only took a couple of sucks before I tasted his pre-cum. A few seconds later he shot a thick, salty wad of spunk down my throat.

By the time Julie emerged from the bathroom, Martin had managed to stuff his cock back in, and didn't drop me in it when she asked us if we'd missed her.

THE HEAD NURSE.

A father and his son were talking about sex. The son asked, "Dad, what does a pussy look like?" The dad replied, "Before or after sex?" "Ummmm, before sex", the kid answered. His dad replied, "Have you ever seen a bulldog eating mayonnaise?"

A guy goes down for breakfast and it's quite obvious that his wife is in a mood with him. He asks what the matter is. She replies, "Last night you were talking in your sleep, and I want to know who Linda is?" Thinking quickly on his feet he tells her that Linda was 'Lucky Linda' and was actually a name of a horse that he bet on that day and won £40. She seemed quite happy with the explanation and he went off to work. When he got home that night, his wife was being shitty with him again. asking her what the matter was now, she replied, "Your horse phoned."

Way-hay! Carrie's the kind of girl we dream about bumping into in the country, instead of the gap-toothed simpletons who ask us if we're from "that London" before running us out of town for drinking lager. "I'm not a bumpkin," she grins, chewing on a bit of hay. "But I love a good bumming. My pussy and arse are nice and trim – ready for a ploughing!"

Real smut from the Razzle sack!

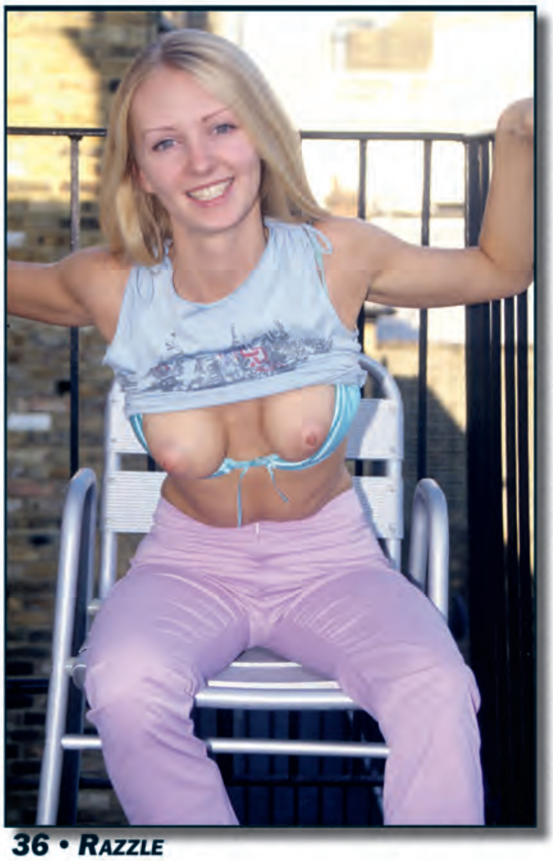
Green Fingered

Last summer, I spent the whole of the long vacation working as a gardener in the grounds of a large private house. I'm a 20-year-old student, so the work often seemed quite strenuous, but by mid-September I was feeling fit, toned and tanned.

"Doggy style is my fave way to fuck"

One afternoon I was cleaning some tools in the shed. Through the window I saw a bloke walk over to a nearby pool, sit down and dip his feet in the water. The grounds were strictly off limits to the public, and I should have reported him to my boss, but I was too busy leching over him! All he had on was a pair of black jeans, and as I gazed at his naked back it felt like my cunt was melting inside.

I slipped my hand between my thighs and started frigging my clit through my cut-offs. The crotch seam was already tight up against it, and as I ran my finger along it the rough stitching rasped against my bud. After a while, I tried to slip my hand into my shorts, but they were so tight they only allowed me to grind my fingertips against my clit, when I really needed to rub it hard and fast.



As I stood up to undo my zip, my eye fell on a trowel, with a thick, rubberised handle grip, which I had cleaned earlier on. I pulled my shorts right down and, holding the tool by its blunt-edged steel blade, I put the rounded end of the handle up to my hole. It slid smoothly and easily up my soaking passage, and I started to ram it in and out, building up an almost burning friction in seconds.

My eyes were glued on the bloke, who was lying back on the grass with his feet still dangling in the water. I could see his arm was moving and then I noticed his hand was stuffed down the front of his jeans – he was having a wank too! I pounded the trowel handle even harder into my cunt, willing him to get his cock out so I could see him bring himself off.

I finally decided I'd better go and have a word with him – and tell him he could be fucking me instead of wanking! It took him a couple of seconds to realise I was standing over him, but even then all he did was grin – and, I'm sure, wank his prick even harder. I was still holding the trowel, which was dripping with my juices, and I held the handle up to his nose for him to sniff. Without saying a word I walked back to the shed. By the time I turned around to watch him walk towards me, his flies were open and he was openly wanking his cock. It was a big, meaty fistful, oiled up with pre-come which he was smearing over his shaft as fast as it was seeping from his love-eye. It looked so engorged I didn't bank on getting more than a couple of minutes' fucking before he came, but I reckoned that would be enough to get me off.

Inside the shed I got down on my knees. Doggy-style is my favourite way to fuck – no other position gets me

quite as worked up. I love feeling the bloke move in behind me, and the build-up of anticipation before he penetrates me. Will he tease me, rubbing his cock head up and down my slit until I'm squirming and begging him to stick it to me, or will he just slam right in balls-deep without any warning? Either way I always scream out loud with pleasure when I feel a hard length sinking in and opening me up.

> **"He teases my slit till I'm begging him to stick it to me"**

This time though, the bloke started playing his cock around my arsehole. My body tensed – I'd never been shagged up it before, and I worried that it would be too tight to take a cock that size. The bloke must have realised this, as he switched to stroking my ring with his fingertips. He whispered to me to relax, telling me, as he eased one finger at a time into my anal opening, that he was getting me used to having it filled. When I'd comfortably taken three, he pulled them out again.

I tensed, knowing what was coming next. Then he pressed his cock into my arsehole, and it opened up so easily that my gasp became a sigh of relief and then of ecstasy. He set the pace, but took things really slowly, only speeding up when I asked him to. Soon he was fucking me fast enough for me to feel a jolt of pleasure on each in-stroke, but slow enough that he was able to hold back from coming too soon. He leaned right forward and kissed the back of my neck, and as he reached under my body to cup my tits I felt his hard nipples brush against my back. I shuddered, then grabbed one of his hands and slid it down to my clit.

He pinched it in between two fingers, rolling it to the rhythm of our fucking. Every time he thrust in he'd give it a sharp little squeeze, so I'd buck my hips and slam my bum back harder against his crotch.

I still felt like I was being stretched open to the limit, but my back channel was so well lubed with churned up pre-come that I was able to take the hardest fucking he could give me. My pussy juices were flowing out and running down over my clit, which suddenly started to twitch. Then every muscle in my body clenched hard, before rippling in an intense orgasm. As I relaxed again, the bloke pulled out and rolled me over onto my back He aimed his cock at my tits, and as I pushed them together he sprayed his come in rapid bursts all over my nipples.

We lay there kissing for a while, our bodies sticky, sweaty and grimy. Then, after pulling his jeans back on, he kissed me goodbye, dived into the pool, swam a length underwater, then disappeared dripping wet into the bushes.

It occurred to me then that I didn't know his name, but he told me it was Sean when he came back for more the next day!

NIPPLE SUCTION CUPS

Usually just a quick glance at Brad Pitt (in his 20's, before all the bloody facial hair he's sporting these days, of course. Why, Brad, why?), and my nipples are projecting out of my bra. For those of you who need a bit more than a dirty mind to get your nips to stand to attention, try these odd shaped little funnies. Although they look like two mini Apollo 9's, about to be launched, they feel bloody great. And yes, I did have a go on my clit, too, and they do work well down there too – with a little careful positioning! A great all-rounder, that's won't break the bank and isgreat fun to boot.

Available from passion8.com for a bargain £10

OSTRICH FEATHER TICKLER

Oooh, you could hear my giggles for miles when I got one of these! Super soft and sexy, it's definitely the simple pleasures in life that are the best. At a very reasonable price, you can stop plucking feathers off pigeons and go upmarket. You get a 'lucky dip' of colors, consisiting of either burgundy, black, red or purple, but who cares about the color – it's all in the touch. They'll look really cute in your bedroom, but far cuter tickling your cunt.

Guys, name two of your favourite things and I bet beer and arse are right up there at the top. *The Fleshlights* series have been going a while now and this is one of the latest to try and grab your attention, and wallet. Not having a cock myself, I can only go on what it feels like on my fingers, and, you know what, it ain't too bad! The best thing about them is that if you get bored of fucking arse, you can buy inserts of a mouth and pussy! Genius!

ATHENA ELECTRONIC PELVIC MUSCLE TRAINER

With the hundreds of toys (amongst other things) that have made their way down my knickers, staying tight is a hazard of the job. The lovely ladies at Passion8.com assured me I needed this, and, you know what? They were spot on! The *Athena Pelvic Muscle Trainer* is a simple, quick way to do the kegel exercises that us ladies need to do every day (and then promptly forget, if you're anything like me!). Just pop the bullet up your chuff and this clever little thing locates and exercises the muscles for you – all while you catch up on Corrie! Takes a few goes to get used to it, but the results speak for themselves. Expensive yes, but it really is worth it!

Available from www.passion8.com for £199.99

NOMI TANG LUXURY WATERPROOF VIBRATOR

When we were growing up, we thought by 2011 we'd all be flying around on jetpacks. We may not be quite at that stage with transport just yet, but sex toys are well on their way! The *Nomi Tang* has the look of a prop you've bought from the *Star Trek* series; it's uber-sleek and futuristic looking, as well being quiet, soft to the touch, easy to control and, most importantly, ace at targeting the female G-spot. With all that, and multiple vibrations speeds and two pulsating modes, the Nomi Tang Soft Touch Wild Luxury Waterproof Vibrator really is a must for every modern trendsetter!

TEXT A HORNY MILF TODAY!

Some women just give you the horn. Lots of desperate older women who love sex, get frustrated when they're not getting enough cock. That might include the nurse who took your blood pressure or the cheeky cashier at your local supermarket. The one thing they have in common is you would love to shag the arse off all of 'em.

You might not get the chance to have a go on their bones but you can swap filthy pictures and tell them how much they give you the horn. You know she's gonna fucking love it.

We can hook you up with hundreds of filthy women but be warned, these women are looking for explicit text chat, not just swapping recipes and chats about Eastenders. If you love MILFS just go to: **www.lovemilfs.uk**

XXX PICS AT

Come hell or high water, semen-seekers Michelle and Vicki were determined to show us their frigging in the rigging! And their poop decks! "Forget sinking the Bismarck – sink your dick in our hot pussies! sighs Vicki!

True Con

Cara's fiancé is happy for her to enjoy her last days of freedom with a couple of cocks...

"As the cream **spurted** out of his tip, I aimed it at my **boobs** and face"

When I got engaged, my mates bought me this really realistic-looking dildo as a joke present. I wound my fiancé, Simon, up by playing with it hand to hand and telling him I'd just made him redundant. He didn't take me seriously of course, and as expected he ended up in the bedroom with me and the sex toy.

Watching me suck on a length as I took his knob in my pussy really turned Simon on, and I was just as horny having two cocks to play with. I couldn't fight what I was thinking and, after about a month of lots of fucking around with Simon and my dildo, I asked what he thought about us bringing another bloke in for a threesome.

I thought he'd insist on another woman if anyone, but he liked the idea of seeing another bloke have a go at me.

A few weeks later, he gave me a call and told me to change into something sexy, and make myself look nice. He was bringing Mike, a bloke he knew from work around to ours for a few beers, and maybe more if I was up for it.

As the blokes sat on our sofa with their drinks, I leaned back in the armchair opposite. I hadn't bothered wearing knickers under my short skirt, and made it very obvious. I began stroking my legs, but before long I was openly frigging my pussy.

The boys soon joined in this wank-session, giving me the chance to take a good look at Mike's cock. He wasn't a big bloke, or a sex god, but his dick was as big as Simon's (although maybe a big more girthy) and there was just something about him. I pulled my dildo out from where I'd hidden it, under a cushion. I didn't use it inside myself, but played it over my slit.

"OK," said Simon, after a few minutes of this, in his subtle way. "Who you sucking and who you fucking?"

I shot him a sexy look and tottered over to Mike on my high heels. I knelt down and bowed my head. His shaft curved upwards while Simon's was straighter, and when I wrapped my lips around it he tasted saltier and muskier, too. Whatever, I couldn't get enough of it. I sucked it deep into my mouth, so it hit the back of my throat,

fessions!

“I rubbed the spunky dildo over my tits”

before pulling my lips back again. After repeating this a few times, I knew a good mouth-fucking was in order.

Simon didn’t hang about to watch for too long. As soon as I hit my rhythm, slurping away on Mike’s helmet, he got in behind me and slipped two fingers into my sopping twat. Realising I was already frothing and there was no need for foreplay, he aligned himself, and thrust his rigid rod violently inside me. His balls hit my clit as he banged away at my juicy cunt and I let him set the rhythm, and made a tight tube shape with my mouth and fingers, letting Simon’s hard thrusts dictate my blowjob.

Simon was obviously more excited than he was letting on - it wasn’t long before I felt his crotch shudder against my arse and a load of spunk shoot out inside me. But, the instant he slipped out, he jammed the dildo in my cunt and started fucking me with that instead. He used it hard in me, whipping and churning up my wetness, before pulling it out again.

Slowly, I arched up, leading Mike a bit further forward. Simon handed me the dildo, coated with spunky juices, and I rubbed it all over my tits.

Mike wanted a bit of that for himself and grabbed the dildo from me, working it in and out of my mouth as he whacked his cock in between my breasts. I shoved them together around it, rubbing and massaging as he started fucking them.

It didn’t take him long to reach the brink of cumming, and as the cream started to spurt out of his tip, I aimed it at my face and boobs, making as big a mess of myself as I could manage.

I actually think Simon was slightly shocked at how slutty I was being, as I smeared cum all over my cheeks with Mike’s pumping prick.

Both of the lads were spent for now, but I’d only just got started. I grabbed the dildo off Mike and started fucking myself, giving them something to get them hard all over again. Simon started wanking almost immediately, and as I orgasmed, I saw Mike’s hand stray to his dick too.

I just kept going all night, frigging myself into a frenzy, although I never had to go very long without having a real cock ready for me.

We’ve had a couple of sessions with Mike since then, and we’ve also talked about a threesome involving another woman. When that happens – and it will – I’ll write and tell you all about it!

Porn Directors

Everyone has their favourite girls, but directors? That's a bit trickier. There are some truly skilled directors who make porn we just don't like. And rank amateurs who occasionally strike goo gold. There are the kings of gonzo, the kings (and queens) of features, and those that do a bit of both. star. Here are five of our fave auteurs of ass...

Gazzman

Scotland isn't the first place you think of when it comes to the finest things in porn. But Gazzman has changed that – well, almost. It's not like the lad from Drumbeg is shooting in the Firth of Forth, wherever the hell that is. No, instead he's made a name in the UK and US for high end porn with a nasty touch for companies like Private, Evil Angel and Harmony – all studios with a guarantee of class. His pulsating *Initiation of Nikki Jayne* was more or less single-handedly responsible for getting the Mancunian sweetie a contract deal in the States, while his *Slam It...* and *Young Harlots* series are guaranteed to leave you holding a handful of what looks like icing sugar but definitely doesn't taste like it. He's also involved in www.pornweek.com, where fans gets to party with porn stars and attend shoots and he's head of production for Harmony. Check out his latest movie, *Dirty Bitches*, starring Adrianna Rossi and Angelica Black, and enjoy...

Robby D

With over 200 movies on his CV, Robby D doesn't rest on his many laurels – he keeps working so we can wank. He's only worked for top companies in his career, with a bunch of titles for Vivid before he moved to Digital Playground and helped it cement its emergence as a new pussy-packed powerhouse.

Whilst stablemate Joone handles the marquee likes of *Pirates II: Stagnetti's Revenge* (one of the biggest selling porn movies ever), Robby directs many of the most popular porno series going. Let's list 'em: *Jack's Playground*, *Control*, *Jack's Big Ass Show*, *Ass Addiction*, *Jack's Big Tit Show*, *Jack's My First Porn*, *Naked Aces*, *Sexual Freak* – it goes on. And with Digital Playground's cabal of contract girls and pulling power, he's working with the best in the jizz biz (think Jesse Jane, Stoya, Sophia Santi and Katsuni). He flits between the comedy stylings of his *Jack* series and the mild fetish of some of his other lines with effortless ease, delivering something for the discerning pecker puller with every movie, which is why he's won so many industry awards.

Tanya Hyde

The idea of a woman directing filthy porn is very exciting. So exciting, in fact, that porn studios are sometimes guilty of a little 'marketing'. Let's be blunt – Tanya Hyde is not a lady. Tanya Hyde is really Trevor Watson – with a dick and balls and everything. What that doesn't change, however, is just how excellent Tanya/Trevor's output is. He/she isn't the most prolific of pornographers – a couple of titles a year at that – but you're guaranteed a high degree of horniness packed into each release, with lashings of good old fashioned European kink as standard. Titles like *Cabaret Bizarre*, *Original Sinners*, *Hell*, *Whores and High Heels* (an award winner, by the way) and *Deviant* tell you a lot of what you need to know. Her movies are also a great place to see the likes of Keira Farrell, Alicia Rhodes, Kerry Louise and Lolly Badcock done up in fetish gear and done up the bum. If masquerading as a woman worked for Hinge and Bracket (topical reference alert!), we're happy to let it work for Tanya/Trevor too.

Jules Jordan

There's a whole lot for reasons why Jules Jordan was awarded the 2008 AVN Award for Best Director (Body of Work). But here's just two for starters – he doesn't stop, and he doesn't make anything that's less than excellent. Starting out as a performer in the late 90's, Jordan soon managed to combine being in front and behind the camera without any dip in quality. The trademarks of his gonzo spectaculars include a focus on tease – long, appetite-whetting build-ups – and on fetish wear and butt plugs. Even when he's filming blow-bangs, as in his *Feeding Frenzy* series, his movies always give the impression that it's the babe in control of things. He now puts out primo porn through his own Jules Jordan Video label, continuing much-loved lines like *Flesh Hunter* and *Ass Worship*. Whether he's dropping a fat load on a porn chick's face or just making sure it's captured perfectly, Jules is one of the kings of porn.

Kylie Ireland

We love Kylie Ireland. She spent years as a contract girl for the likes of Sin City and VCA, cultivating the image of the 'girl next door'. And then, once the contracts were up, she made *The Whore Next Door*, chock-full of anal, DP and gangbangs, most of which she'd never performed before. Let's just say it's one of our favourite career 2nd acts, period. She directed it too, revealing a skill at filming raw gonzo that saw her helming and starring numerous no-holes-barred bangathons for the likes of Platinum X, DVSX, Adam & Eve and Sex X Pictures. The red-headed AVN Hall of Famer (she picked up yet another AVN award in 2008, some 13 years after her first) then founded her own Slutwerkz company in 2006, with a focus on feisty female directors and an internet-only policy. Happily, she's still humping too, and still indulging that nasty side of hers. And did we mention that she's fit as fuck?
